Please join us on April 5<sup>th</sup> for the regular monthly meeting at SaddleBrooke One Clubhouse at 1:00 p.m. in the Coyote Room. Holly Ann Gibson will give a presentation on "Sources". This will include the story of Harry Melville Leslie a resident from the Tucson area and how his research was developed using archival materials, letters, and newspaper articles. These are many of the same sources we can all use in researching our ancestors. Everyone is welcome, see you then.
