

Many of our members, both new and those wanting a “refresher” course have asked if we might have a “*Basics in Genealogy*” course taught to interested members. Gloria Quigg, a long time SB Genealogy member and past course presenter has offered her time to teach such a class. Handouts and a notebook will be provided to each student.

The class will include five class sessions, two hours each beginning March 8. Class location is the SaddleBrooke HOA ONE Clubhouse, Coyote South located on the lower level near the Pro Shop.

**\*\*Checks may be made out to SB Genealogy Club (\$25.00 for members and \$30.00 for non members) and given to Pat Spencer, Treasurer, prior to the beginning of the class.**

**Class dates and times are as follows:**
