

SADDLEBROOKE GENEALOGY CLUB BOARD MEETING  
May 5, 2011

Present at the May 5, 2011 SBGC Board meeting were Gloria Quigg, Jim Smith, Dennis Holt, Cynthia Karchner, Pat Tiefenbach, Richard McQuate and Sue Nitz (substitute secretary).

Gloria reported that she will be seeking chair people for the committees and had talked to some members about holding position. Joanne Porter will help as Librarian. Richard McQuate will continue as Newspaper Editor, Pat Tiefenbach will continue as webmaster. Gloria will ask Cindy Scheckler if she will continue publicity. Membership needs new chairs and Sue Nitz said she would help co-chair.

The scrap books about the SBGC history are now housed in library.

Pat T. asked for permission to take older photos off website and it was suggested she put them on CD before deleting. Sue Nitz said she had some rewrite CD's she's donate to Pat.

Programs for the summer will be informal said Jim Smith and he was open to any suggested topics for these meetings. In making plans for next year he asked how board felt about doing the several social type meetings next year and since the Oktoberfest and St. Patrick's meeting with extra social treats were very well received, it was said to consider similar next year. Also Jim would like to check about having more of the work-share sessions next year on other days than regular meeting dates. He hopes to also get help to schedule field trips to Mesa or Langley. The traditional December social will be scheduled Dec. 1, Thursday in the Activity Center as Gloria attended the lottery to schedule December events. If SBGC has SB cater event then there is not other charge other than cost of each meal. Cynthia Karchner will talk to Leslie of SB HOA#1 about the food service and menu/cost.

Dennis mentioned that SBGC consider a future Salt Lake Research trip for the club in 2012. Gloria said she had seen some other type research trips done by Ancestry.com.

Gloria then asked the Board if they thought it would be a conflict of interest if she accepted an AZ Community College job to teach Genealogy course here in SB. Board said it would not be a conflict of interest in their opinion.

Richard McQuate mentioned that sometimes the e-mail newsletter gets bounced back due to an inaccurate e-mail address. Gloria felt he should let membership committee know of error so they could get it corrected for him in the future.

Dennis asked if Board felt the library should be presented with the two titles of books regarding Family Tree Maker which he uses as door prizes for SBGC each meeting. "Yes" was the response.

Meeting adjourned at 3:30.

Respectfully submitted,  
Sue Nitz (substitute secretary)
