

SADDLEBROOKE GENEALOGY CLUB BOARD MEETING

October 6, 2016

In attendance: Kerry Wolfe, Pat Spencer, Patty Gregory-Burke, Chris Nelson, Pat and Dave Tiefenbach, Bonnie Lucas

The group discussed the upcoming Saddlebrooke Activity Fair. It is usually held in January or February. Chris Nelson will find out when and where we need to be to sign up for the fair.

It was discussed after the last Activity Fair that we really need to update our "public" information. Patty Burke will work on a new brochure.

The group also discussed SIGS (Special Interest Groups). It was agreed that we need to explain what a SIGS is and how they function and present this information to the club.

Pat Spencer present information to the board regarding a project in Douglas, AZ. There is a group that is attempting to restore the historic Jewish Cemetery (one of Arizona's oldest). Pat will check to see who might be the contact person for this project.

Also a subject was brought up during the meeting about carpooling to genealogy activities outside of Saddlebrooke. Pat Spencer volunteered to be the "Car Pool Coordinator". She will be the contact person for people looking for rides and also those willing to drive.

Patty Burke revisited the subject of donating a number of our more current books to the Saddlebrooke Library system. Her thought is that this would make the books more available to the membership, the books would be traceable within the system and would also make the community more aware of the club. Patty will contact Janet Fabio and set up a meeting that will include Kerry Wolfe.

Patty also brought up the fact that she hasn't seen our meeting announcements in either of the HOA1 or 2 "announcement" emails. Patty will contact Adele Allyn regarding the HOA#2 and Pat Spencer will contact the HOA1 person.

The meeting adjourned at 3:07pm

Respectfully submitted,
Patty Gregory-Burke, Secretary
