

SADDLEBROOKE GENEALOGY CLUB  
BOARD MEETING  
September 24, 2020

ZOOM meeting

In attendance: Jeri Taylor, Cynthia Karcher, Rick Morrison, Jan Cahill

President Jeri Taylor led the meeting. She received information about the Roots Tech Conference to be held in February, and asked that it be included in our communication each month. The email informing members about next week's meeting will also encourage members to ask questions, express concerns and request help with problems they may be having.

Jeri reported that a subscription to ZOOM costs \$14.95/month, and with unanimous board approval she will purchase a subscription. We could show videos in half-hour segments.

Current membership (those on the roster as of March 1, 2020) will be valid until December 31, 2020. Membership of those paying dues after March 1, 2020 will be extended through December, 2021. Dues are paid by sending a check to Rick Morrison, and the cancelled check is the receipt.

Rick will send an updated membership list to each of us. Cynthia will send an email to all members with information about next week's meeting October 1 at 1 p.m., instructions on how to use ZOOM to attend, and an attachment from Word Press with helpful information.

Respectfully submitted.  
Cynthia Karcher, Secretary
