

SADDLEBROOKE GENEALOGY CLUB
BOARD MEETING
December 3, 2020

ZOOM Meeting

In attendance: Jeri Taylor, Cynthia Karcher, Rick Morrison, Jan Cahill, Patty Burke

Jeri led a discussion on changes to the bylaws. Jan will send proposed changes to board members for further corrections or additions.

We watched part of the webinar "You Need a Search Strategy" with Mike Mansfield, but again there were problems with the sound.

Rick will research ZOOM to see if the sound problem can be fixed.

The board agreed that Mike Mansfield's free webinar "A Vast and Virtual Library is Waiting Your Exploration" (March 12, 2020) would be a good choice for the January 7th program.

Suggestions: Include the webinar syllabus with the meeting invitation. Recommend that members watch the program before the meeting so that we can discuss it at the meeting.

Rick will send the budget to board members for comments.

Respectfully submitted,
Cynthia Karcher, Secretary
