

SADDLEBROOKE GENEALOGY CLUB
BOARD MEETING
January 7, 2021

ZOOM Meeting

In attendance: Jeri Taylor, Rondie Yancey, Cynthia Karcher, Carol Tibor, Richard Webber

Minutes of the previous meeting were read. Correction: Rondie Yancey was present at the meeting. Rondie made a motion to approve the minutes as corrected. Motion carried.

Amendments to the bylaws, which were sent to members with today's meeting announcement, will be voted on at the February meeting.

Richard will take a look at the website by connecting with Rick Morrison and Kathy Plum, a previous webmaster, to decide if he would like to be the webmaster. A new password will be needed.

Information about the February program recommended by Rondie, a Legacy Family Tree Webinar "Nurturing Your Family Trees" with Cyndi Ingle, will be included with the announcement of the February 4th meeting. It will be available free on February 2 so that members can watch it before the meeting.

The announcement will include a request that members who would like to participate in Rondie's interest group "Beginning Genealogy" contact her via email by the end of February.

Jeri wants to increase membership and member participation, and will write an article for the SaddleBrooke papers after we have an updated website. We need to know the number of current members.

Respectfully submitted,
Cynthia Karcher Secretary
