

SADDLEBROOKE GENEALOGY CLUB  
BOARD MEETING  
February 4, 2021

In attendance: Jeri Taylor, Rondie Yancey, Cynthia Karcher, Rick Morrison, Jan Cahill, Rich Webber

Jeri would like an article about our club printed in The Record. SBGC information should also be in the HOA 2 Monday Message and HOA 1 messages on a recurring basis.

Richard noted that the files associated with the website are not consistent. He has sorted them by year, month and day. He will post the bylaws. Email addresses of the present officers will be listed. He took our pictures for the website.

Rick has the paperwork for January-December ready for Sharon Scanlan so that she can audit the treasurer's books. After the roster has been divided into active and inactive members, he will contact those on the inactive list and remind them that their dues must be paid by the end of March if they wish to be active members. He will send the preliminary budget and the list of active members to board members. He suggested that the Board have a special ZOOM meeting to determine the 2021 budget.

After reviewing the free Legacy Family Tree webinars available to us, the program chosen for the March 4 meeting is: "What are the Odds: An Online Tool That Can Help Solve DNA Puzzles" with Jonny Perl.

Respectfully submitted,  
Cynthia Karcher, Secretary
