

Standing Rules

Resolutions of a permanent nature which are binding on a society until they are rescinded or modified and can be adopted by a majority vote at any meeting, as are prescribed by Roberts Rules of Order. No standing rule can be adapted which conflicts with Bylaws.

- The business meetings of the Club from June through May shall begin at 1:00 PM, unless otherwise specified.
- The annual dues are based on the budget and voted upon by the membership when proposed by the Board.
- In place of a regular membership meeting, the Club can schedule a luncheon to promote good relations among its members and to recognize its volunteers. The Board of Directors will establish a month for the luncheon.
- Reservations for Club sponsored meals, classes, and seminars shall be made in advance. A member's check constitutes a reservation. Members are responsible for any meal reservation not canceled 48 hours before the event, unless stated otherwise.
- A sponsorship of an event by the Club requires an agreement in writing between the Board of Directors and the cosponsoring organization.
- No officer, board member, or member of the Club shall use Club records, lists, or information generated in the course of its activities for personal financial gain or for any purpose other than Club business unless specifically authorized by the Board of Directors.

Approved by members present at the January 8, 2015 meeting of the SaddleBrooke Genealogy Club.
